## Survey Report

- For future improvement of the Database, Chinese Taipei has sent out a survey questionnaire to all member economies for suggestions.
- Appreciated for feedbacks and comments from Chile, Japan, Mexico, Peru, Philippines, and United States.

## Survey Report(cont.)

	Very dissatisfied	Dissatisfied	Neutral	Satisfied	Very satisfied
Design		16%	16%		
Content		16%	48%	16%	16%
Usability			32%	48%	16%
Overall			32%	48%	16%

## Maintenance of the Database

- All APEC member economies are encouraged not only to continue supporting the Database by updating the information periodically but also to retrieve valuable information from the Database and publicize this information to serve as valuable reference for the private sector, scholars and experts.
- Only through the long-term updating and build-up of the Database can we help share experiences, exchange views, enhance dialogue on competition policies and laws and hopefully increase transparency in regard to competition matters.

16

**Thank you very much  
for your attention.**
